## **KEEP THIS IN A SAFE AND SECURE PLACE FOR YOUR EYES ONLY!**

Here is a current Resource and Referral Contact List for Yellow Medicine County. This list has been compiled for you so that you have the majority of the contact phone numbers that you or someone that you know may need in one place. When advocating for yourself or someone that you care about, be sure to take notes on the contact person's name, important information such as case file numbers, other possible contact information, etc. We have left space on this sheet so that it can be used for this purpose.
